NUMBER 32.

## NUMBER 23

### The Winning Ticket in the Stove Drawing--A Big Crowd

It has been many a day since an event happened in Lawrenceburg that created the interest that was manifested last Saturday when Mr. B. R. Craycroft District Deputy of the Modern Woodman of America gave away a \$72 range that has been on exhibition at the bakery for the past month and a half. The day was a bad one for the people to come to town the rain commenced Friday evening and continued until Sunday morning only stopping at short intervals, notwithstanding the inclement weather about 1500 people from all over the country braved the elements and came to the city. About fifteen minutes until three the rain stopped and the range was loaded into a wagon and taken to the square and promptly at 3 p. m. Mr. James Dunn brought the numbers from the bank and Mr. L. B. White selected an envelope, the number found was 711. The number was called several times and it was found to have been held by Mr. Rufus Garner of this city, but during the day had accidentally lost it. After waiting the required 15 minutes another number was drawn "Number 23" shouted Mr. White twice, he called and away back in the crowd a hand went up it was the hand of Mr. Braly Owens and in it was held the one treasured number that called for the stove. Mr. Owens came forward and handed his card in and after giving his name and address was told to take the stove home as a Christmas present from the Modern Woodman. Mr. Owens is an employee of the Dustin Mills located about two miles west of Lawrenceburg, and having just lately being married the stove will be a treasure. The advertising this event gave the Woodman should increase the membership here very greatly, and if the weather had been more favorable it is estimated by the most conservative that at least 2500 people would have been here.

Among the visitors from abroad were Mr. W. S. Johnson, Nashville, Tenn. State Deputy, Mr. Jennings O. Goslin Clerk, and R. B. Pilkinton of Columbia Camp No. 11928 at Columbia, Tenn. Neighbor Johnson spoke at opera House at 7 p. m. Neighbor Goslin and Pilkinton came as a committee from their camp and after seeing how this event was carried out announced that their camp would give away a hundred dollar Graphophone in February.

The next event of importance at this place will be the Grand Barbecue at which time several Bees, sheep and hogs will be served, free excursions will be run, one fare for the round trip, for both ways, the Canteloupe association will have charge of the event ably assisted by Mr. L. H. Lister, agricultural agent of the L. & N. R. R. The date has not been set as yet but it probably will occur during the canteloupe season. Another stove the same high grade that was given away Saturday, and a good serviceable buggy will be given by the Modern Woodman to the ones holding the lucky numbers on that date. The tickets will be ready about Janr 15, free to every one.

At the Wednesday session the Woodman camp a committee was appointed to look into the advisability of building a hall. It is understood they want to build on the square and have the lower floor for business purposes, with a part served for Hotel office, the hotel rooms on second floor and lodge hall on the third floor. It is their intention to build a concrete block.

The membership of this society in Lawrence County is 189 Dec. 1st and increasing very rapidly a great number having located here in the past four months.

The mission of "Early Risers" is to clear the way and give Nature full sway. These famous little pills rid the stomach and bowels of all putrid matter, thus removing the causes of headache, constipation, sallow complexion, etc. DeWitt's Little Early Risers never gripe or sicken. A safe, pleasant, perfect pill. Sold by Freeman Bros.

(Continued from Nov. 12)

In the first place I wish to make some corrections in my former article, in speaking of the bear hunts, I said my father was too small to carry a gun, the types made me say my father was not lazy enough to carry a gun. I said aunt Betsy married Jim Grinit, it made me say Jim Garret, and again my father's name was Elisha in place of Elighah. I have known him to kill 6 deer in one day. He killed the last bear that was killed in this county.

I will now give a sketch of my mothers people. John Bowden my grandfather came from Georgia. My grandmother's maiden name was Anna Blackburn. They settled on the head of Peter Cave creek, and raised a big family. I had 8 uncles and 3 aunts, well I had 4 aunts but one died away back, I never saw her, 3 of my uncles lived and died in this county, the others lived and died in Arkansas. My mother's people were Methodists all but grandfather, they never could get him in the church, although he was a bible reader. Uncle Jackson and uncle Charley was Methodist preachers, they are all dead now. They were all old time Whigs before the war. They turned then to be Democrats. My fathers family, all that belonged to anything belonged to the Christian church. Mr. Yarborough said in his article that he joined the Hard Shell Baptist church I never joined any church. We dont have to join the church, we read the New Testament. I was born into it. Pardon me Mr. Editor for bringing t his in, I dont want to hurt anybodys feelings, I simply want to let my people know where I stand. The 7th of this month I will be 79 years old, I can read most of print without glasses.

I live 7 1/2 miles Northwest of Lawrenceburg, Tenn., R. F. D. No. 1.

Now a word to my people. If this falls into your hands, live away off anywhere and its of any interest to you please write to me and let me know who you are and where you are. And in conclusion I will say, I will be glad to get a letter from any of my relatives.

#### \$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative power that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
